

Divine Alojzija

*You, Who Brought Forth The Sun,
Illuminated The Night Into Sacred Day,
You, Who Are As Beautiful As The Dawn Of Morning,
Mother, You Are The Truth Of Our Days.
You Are The Sun, Bright Light, Guiding Us In Life,
Being The Essence Of Light, Alojzija.
May You Be Eternal Within Us,
Grace Bestowed Upon All Beings,
With Alojzija, A Protected Family Is Made.
You Are The Light, Leading Us, As Darkness Envelops Us,
You Created A Sacred Paradise, On Earth, Here Exists.
You Unite Us, Teach Us Wisdom, Cleanse Us Of Selfishness,
Malice, So We Might Be Happy, We Will All Be.
The Step Of Learning The Truth.*

In Slovenia, On 7.7. 1948, Alojzija, Being of Light, Was Born. Her birthplace is the village of Orehovec above Sevnica, mother Bernarda, father Jože Klenovšek. She grew up on a large farm with parents, brothers, and unhappy sisters. Even as a Small Child, She Clearly Felt What Is Right, what is not, thus she was misunderstood in the family, Nature Already Saved Her, In Nature She Created Nativity Scenes, Altars, Hidden Real World, From Bark, Moss, Pinecones, Branches, etc., That Alojzija Carried Within Her Already. Because of Her Pure Nature She was often treated unfairly in the family. family obligations, school was hell of injustices, humiliations Due to Alojzija's Difference, Thus She Decided Already At the Age of 13 And a Half to Escape to Ljubljana On Her Own Path, Regardless of Success, failure!

Alojzija's Consciousness Transcended her parents, teachers, Her Confidants Were Animals, Plants, Sun, Stars, Clouds, Tree Shadows, Different Voices Audible to Her, Inaudible to Others, Again Entanglement of Misunderstandings, etc. In the family, there was a habit of prayer, which was tiresome, Not bringing happiness, some actions in the family were disturbing, disgusting to Her, Thus She Adopted Heavenly Home Under the Big Rock, away from the family, Became an Even Bigger problem. Even Then She Carried Within Herself the Image of God Sri Sathya Sai Baba, Jesus Christ, Whom She Did Not Fully Understand the Guidelines Yet, Besides All, She Was Accompanied By a

Vision of a Film of This Holy Project, Which She Also Physically, Financially Fully Implemented And Already Given, Handed Over to the Next Generation. The Project of Truth Is God Sathya Fully Realized Through Alojzija's Unconditional Devotion to Sanctity, She Revived It on Planinca, on the old garbage dump! despite Having Opponents and Envious People Around Her Out of Envy! In Her Difference Doubt Often Embraced Her, who is really foolish, Her, others!

After difficult trials, She Accepted a Job in the Kitchen of the Clinical Hospital for Dishwashing, Her Holy Path Opened to Her, She Never Gathered, Her Humility Is Sanctity, Trust. Later, While Working, She Educated Herself in Ljubljana, from elementary school 7th, 8th grade onwards, Cooking course, Secondary medical school, Higher medical school in Belgrade, Surgical Medical Nurses in Intensive Care of the Military Hospital. Later, She Also Completed a Spiritual Faculty in Israel, She Traveled a Lot, Learned, Experienced Life of Natives in Various Parts of the World. At Work, They Really Liked Her, as She Was the Only One Who Had All Documents with Her, others had all documents deposited, She Was the Only One Who Had a Free Pass for Traveling, military regulations did not allow this to anyone else, Only Alojzija Was Given This. Later, She Completed a Spiritual Faculty in Israel, But Her Educational Documents Ended Up in the Fire of the Home Stove under the

envy of a family member, the presence of another family member, And of Course, The Sadness of Alojzija Herself.

For The Young, Responsible Girl, Washing Dishes Had Been A Long-term Job, Very Tiring, But Because She Was Conscientious Even with Large-sized Dishes, Nuns Noticed Her Physical Exhaustion Especially Hands, So They Included Her in The Process of Preparing All Kinds of Food In The Form Of Diets and Other Food For The Entire Working Collective Of The Hospital, All Patients, Workers From Various Workshops, The Number Of Patients Was High, Meal Preparation Was Necessary Daily. She Also Excelled in Cooking, As She Had A Refined Divine Taste, Because Even As A Child She Was Not An Advocate Of Killing, Eating Meat, Her Diet Was Vegetables, Fruits, Alojzija Was Also Responsible for Me Becoming a Vegetarian Myself Without Her suggestion. So, With The Support of Nuns, She Took A Cooking Course, I Admit Even Today It's Very Tasty, Hygienic if Needed, We Are All Vegetarians in the Family, We Still Are Today.

Alojzija's Mission Is of Global Importance, As Later In Slovenia Through Her, On Planinca 1, Under Kalobje On the Dump, An Ecological Self-Sustaining Estate Was Activated, With All Necessary Sacred Objects, Sai Center Has Come Alive, Under the Leadership Of God Sri Sathya Sai Baba. Planinca, With a Defined Task Envisaged Already in Puttaparthi, Now Sai Baba

From India, Puttaparthi, Now Is Puttaparti 2, On Planinca 1, Has Come Alive Through Alojzija Under the Leadership of God Sri Sathya Sai Baba.

The house is currently in a crisis due to the global crisis, genocide that has been traveling around the world for a long time, it has also destroyed the family, it does not yet possess enough Solid Sanctity within itself, this applies to me, gabrijela, as well!

Alojzija's Stories from Childhood and Present Are So Touchingly Instructive That I Simply Cannot Get Enough of Them, Her Fearless Life Will Is the Greatest Faculty of All Faculties, Her Modesty, Vivacity, Her Laughter, If We Grasp It, Is The Only Garden of Truth, if our own envy, malice does not separate us from Embracing Alojzija and we only seek motives to hinder her, destroy her. Her Sacred Living Creativity, However, Offers Us Comfort of Living Heavens on Earth. Alojzija Stands on the Side of Truth, Even At the Cost of Life, Regardless of the Crucifixion, Which Lasts, Lasts, Truth Is Eternal, Envious Karmic Debts as well!

When I Convey Some Fragments Of Her Life Onto Paper, It Is Necessary To Mention The Relationship Between Alojzija And Patients: She Was Consistent, Kind, She Did Not Allow Flattery, Buying Affection, Once You Realize This, You Are Saved, This Applies Also to All of Us, Regardless Of Who, What, Where You Are From! Patients Quickly Realized This, They Quickly Felt Security In Alojzija's Presence, In Her Service, In All the Years Of Medical Practice, Not A Single Patient Died, When She Went Home, The Number Of Patients Changed! The Information Speaks Clearly About the Essential Relation Of Truth, how lies hurt, kill, murder! In Alojzija's Presence, The Flow Of Life Was Different, Right, but if our malice is too great, envy too arrogant, events collapse, injustice was thrown at Alojzija by everyone, Yet She Remained Upright. If The Environment Allows, Life With Alojzija Is Simply A Miracle.

Alojzija's Life

Is Very Difficult To Put Into Words, Wisest Is to Experience It, Follow Her, Be Silent, Sadly, I Realize This Only Today,

Because Even my caused pains to Alojzija have contributed to Her Being Very Exhausted, Burnt Out, She Is Still Alive, but i am hurt by the dirty events that i caused her, Worst Of All: Alojzija

Forgives Everything To Everyone, Only Shares Love, Now She Physically Withdraws, Peace Belongs to Her, This We All Must Understand, We Who Caused Her Crucifixion. To Triumph, To Forgive, Only Mother Mary of All Times Can, As She Witnessed Live, Followed The Crucifixion Of Her Own Son Jesus Christ, which yet no one has fully Understood, regardless of 2000 years of faded paths, burying of truth, But Truth Is Eternally Alive, Never Dies.

Alojzija Was Independent From 13 And A Half Years Old, Connected With God, Nature Very Deeply, Mentioned Virtues Are Still Her Companions Today, Unusually Hungry for Learning Wisdom, Joyful, Ambitious, In Short, She Was Different from

Us, She Is Still Different Today, Her Uniqueness disturbed us, which is still present today in some, Regardless of Her Almost 74 Years. She Traveled A Lot Around the World, Had Many Friends and Guides from The South, Their Common Idyll Was Beautiful, They Were Happy Together, So They Provided Her with Inexpensive Airline Tickets, They Loved Alojzija Very Much At Work, They Allowed Her Everything, Just For Her To Exist, When She Was Present On The Ward Everything Was In Harmony, Nothing Was Misunderstood, It Was Beautiful, That Was Enough. When The Time Came, When Alojzija Could Officially Resign from Work, the entire army of the former Yugoslavia collapsed after three weeks, But Not Because of Alojzija, She Knew the Outcome in Advance, And Everything Fell into Place. She Revealed The Public Importance Of God Sathya Sai Baba In Slovenia, To The World. In 1991, Alojzija Received A Telepathic Call From God Sathya And Traveled To India, To Puttaparthi With Close Friends. She Returned With New Guidelines, Life Began to Rapidly Change And Activate In A Completely New Human Way of Life, I Was Also Included, Gabrijela! Thus, The Family With The Initial Life In Ljubljana, Continued In Grosuplje, Gathering Knowledge Some More, Some Less, And Traveling, Traveling With Beautiful And Less Beautiful Steps!

Besides Learning, We Were Accompanied By A Lot Of Music, Singing, Dancing, Excursions, Cultural Performances In the

Philharmonic of Ljubljana and Other Cultural Organizations, With Dignified Wardrobe and Performances. I Was Present At Many Of Her Sacred Lectures About Human Way Of Life, About the Truth, Which is still foreign to most of us today, i was present at Many Of Her Sacred Ceremonies, Which She Organized In Various Places In Slovenia, There Were Always Many People Present. Upon People's Request, She Organized Walking On The Sacred Ceremonies, Which Brought Life-Changing Transformations, Healings, Deep Sensation Of God's Assistance, Because Only With God's Help Is It Possible To Achieve The Truth, Which Never Changes, This Sacred Experience Only Held For Some Time for some, and then most returned to the old path! That You Can Walk Through the Fire Approximately 15 to 18 Meters of Living Fire, Sacred Ceremonies Without the Smallest Burn on the Feet Is Clear That at That Time Surely Everyone Was Deeply Connected With God, Only with God's Help, Our Decision Can Activate the Process of Unity With God, as long as our ignorance is greater, Union With God Is Not just words. These Are Unforgettable Moments Experienced With Alojzija.

Many Meetings Were Devoted, Organized For Various Visitors, There Was a Lot of Demand For Her, God Sathya Has Through Alojzija Granted Many Healings to People, Solutions to Difficult Situations, Many Changes in Life. There was also a lot of envy, malice, various disgusting obstacles, But Alojzija With God's Help Gracefully, Only With Love Overcame our rot, Returned To

Us Only Unconditional Love, Peace, Humility, Sacred Creativity, Activity In Fair, Humane Life for us violent fools, who often mocked, scorned, sought only benefits from Her!

She Also Organized Various Children's Camps, Started Publishing the Monthly Magazine The Truth, During Advent She Organized A Candlelight Procession Across Ljubljana, About 7 km long, We All Were In White Long Clothes, Many Participants Connected With Singing Holy Songs, Later She Also Included Om, The Police Also Accompanied Us, Alojzija Received All Notifications, Ensured Safety Of The Procession, Also Informed The Slovenian Government In Writing About The Project, Received A Lot Of Support, Never Wavered, Revealed Her Mission Also In The Church, Received Encouragement For Her Work, She Was Direct In Statements, often left us breathless how it would turn out, But Alojzija's Sovereignty Was Clear Only Yes, No. She Revealed, For The Peace Project Is An Oasis Of Peace For Slovenia, The World. i witnessed Exactly What Is Happening Now, back then we all thought Alojzija was crazy.

Alojzija Led At Least Twice a Year A Larger Number of People To Puttaparthi, These Are Unforgettable Moments Of My Life. The Physical Meeting Of Alojzija With God Sathya Sai Baba, Incarnation Of Jesus Christ, With Mother Mary Now Alojzija Two Thousand Years Ago Is Unforgettable. God Is the Light of Life, Truth Never Dies, Regardless of the present

pain caused by evil, human evil! Alojzija Knows How To Listen tT The Environment, Never Showed haughtiness, She Is Sacredly Humble, She Has Always Been The Same Outside, The Environment Exploits Her Kindness, Now She Is Burnt Out, God Sathya, Please Help Alojzija, Save Her. evil is a teacher to Humanity, So That at the Given Moment Only the Light of Truth Ignites In Man, The Law Of Karma Writes Everything, It Is Served. Alojzija Has Embodied All the Guidelines of God Sathya Sai Baba, Created With The Help Of God Sathya, Heavens On Earth For All Beings Who Could Respect, Grasp God's Gifts, but this is not yet ripe at this moment Alojzija Taught, Teaches, Understands, Lives The Truth from untruth, the Nobility Of Everyday Life, which are mostly foreign to us here, far, far away, Instead of our Gratitude, it is easier for us to sharpen, stab with a knife, to laugh, but we suffer, suffer, we must suffer more! Alojzija Was The Mother Of Jesus Christ, Tutankhamun, Priestess Mekoilo, etc., All Her Humility Is Too Small for the evil in man to recognize, evil stops within us!

Alojzija Also Took Care Of Children On The Island Of Krk, Bunculuka, One Of Alojzija's Many Humane Acts Was Also A 14-Day Colony In The Beautiful Untouched Cove Of Peace. Children Had Chronic Respiratory Problems, Allergies, etc. When We Gathered In The Cove Together, Organized Accommodation, There were no more problems. all arising problems have causes

and consequences, action, reaction, never one, always at least 2! Warm Sea Atmosphere, Swimming Without Burden, Walks, Sun, Vegan Diet, Unobtrusive Activity Of All Participants, Was God's Medicine, There Were No More Problems until The Children returned to their parents, the problem was caused by their own! the horror is the realization of truth, But That's How It Is. In The Background Of The Camping Area Large White Rocks, Around The Tents Sheep Also Grazed, We Were Great Friends With Sheep Too, It Was Paradise On Earth, Its Charm Was Added Pine Trees, Pine Cones, Campfire, One Day The police appeared, they invited Alojzija for interrogation, Alojzija Managed to Present Our Activity Clearly Enough, Got Support, Even the Mayor of Krk Visited Us, Even The Policemen Returned, Alojzija Quickly Organized A Cultural Program In Nature, There Were Many People Present, Became Great Friends, The Children Radiated Health, Joy, Happiness, We Were All Happy Because of Alojzija's Trust In God's Success.

Two Thousand Years Ago, During the Life of God Jesus Christ, Mother Mary, we lived Together just like now, but the tasks Entrusted were not carried out, even now God Sathya has United the same family, Entrusted Execution of the Process of Cleansing the whole world, we struggle again, it will be hard!

God Sathya Sai Baba Lived Physically In India, Puttaparthi,

Now He Is Still Physically Absent, Soon Alojzija Will Tell, Will Incarnate Physically On Planinca, Puttaparthi 2, With The Name God Prema, Unconditional Love, Truth, we are this moment still too little aware of God's Greatness, What Has Been Entrusted To us Again. When God Sri Sathya Sai Baba Was 20 Years Old, He Was In Europe, Slovenia, Orehovec Under Lisca, Incarnated Alojzija, Being Of Light. Alojzija's Path Was Very Dynamic, Infused With A Hunger For intellectual Life, Especially The Need To Learn About The Invisible World, The World Of Truth, She Also Lived It, If She Could Only Embrace It, so that Her surroundings would not mock, shame Her. Around Alojzija, we loved to gather, we Felt Good, most likely It was not so nice with us, But Alojzija Knew How To Connect Everything, Unite Us. when it became too much, She Knew How To Withdraw, but in that way it ignites us, what kind of, we are villains, primitives! a little later our own curiosity led us On The Path Of Learning The Truth, Alojzija Did not press on us, She accepted us as we were, from jealousy of Alojzija, we began to Shine, to be Born.

When Alojzija Set Out On The Journey To India, we Suddenly Felt The Need to go With Her To Meet God Sri Sathya Sai Baba. It Was Not a trip, It Was A Sacred Pilgrimage, Alojzija Took Care Of All Travel Documents, Airplane Tickets, it was strange, She Did Not activate any reservations anywhere, Yet Everything Was Ready Wherever We Arrived, In Other Words, God Sathya

Took Care Of Everything Through Alojzija, and we Began To Realize Who Was Traveling With Us, Who Alojzija Was. Alojzija Enabled Us To Meet God In Living Physical Form, Gifted Us The Teaching Of Truth. The Pilgrim Groups Were Always Numerous, Including Children, Disabled People, Etc. The Being Of Light Flawlessly Organized Trips To India, there Was no mistake!

my mind Was slowly giving in, I Began to Realize What Was Given to Me, at the same time I was aware that The Journey, a 14-Day Stay, Would Also Cost Something, and i did not have the money, my bank account was Low In Numbers, i decided Not to go on the journey, the Next Day I Still Checked the

Bank Account, The Number On The Account Completely Matched The Amount Of The Journey, A 14-Day Stay In Puttaparthi. Trust in God Sathya, she Called Alojzija, She Revealed God's Reward, To Her Was Completely Revealed God's Reward, Trust In God, Holy Materialization.

When We Gathered at Brnik, Alojzija Led Us To the Observation Terrace Of The Airport, Alerted Us To The Sky, It Was Orange,

Like the Orange Robe Of God Sri Sathya Sai Baba, Who Accepted Us And Led Us On the Journey Home, Received The Blessing of God The Father. The Group Counted 38 Sisters, Brothers, i also had my Guitar With Me, In a Higher Key We Had Musical Performances on the Plane, The Journey Was Heavenly Colored, Crew, Passengers, and We Were Very Happy, Incense Sticks Were Lit, the Atmosphere Was Heavenly. In the Group, There Was Also a Young Married Couple, Stewards, Stewardesses Took Care Of Cake, Champagne, We Played „Celebration“ and More. It Was Unforgettable. The Weather In India Was Hot, Sultry, For me A Completely New World, Crowned With Other Attractions,

Of Course, We Were All Anticipating Meeting God Sathya Live, But There Was Still a Trap Waiting for us on The Way. some traveled more adventurously, apartily, had their demands, But Alojzija allowed everything! When We Waited for the Plane to Bangalore in Mumbai, The Plane Was Already on the Runway, We All Saw It, In An Instant, The Plane Was No Longer on the Runway, Holy Dematerialization, Only Alojzija Understood This, Again She Let Everything Be For A While, but when it started to crack along our seams, She Called A Meeting, Said: „among us travels a rotten egg, The Truth Does Not Allow the Journey to Continue With a rotten egg, let one Be Brave and melt away, Only Then Will It Be Possible To Continue The Journey!

After some time, an older man appeared from the Group with his head bowed, Admitted his own mistake, evil within himself, Asked Us For Forgiveness, Assured Us that he would no longer be malicious Towards Us, At That Moment, The Plane Appeared On The Runway Again, Holy Materialization, We Boarded And Continued our Journey To Bangalore, Continued The Journey With Taxi Drivers To Puttaparthi, Once Again A New World Of Delicate Beauty. We Continued The Journey With The Taxi Drivers, Crossing Several Countries; In One, there was a war, but We Had An Open Path As Soon As The Driver Mentioned God Sri Sathya Sai Baba. We Traveled Peacefully All The Way To The Physical Presence Of God With Alojzija. Along The Way, Alojzija Surprised Us wWth Various Delicious Fruits, Unkown to us, Bringing Us Closer To The Arch Of Puttaparthi Heaven on Earth. Alojzija Had Doors Open Everywhere They Were Needed, led us to a Beautiful Hotel; We All Had Rooms On The Third Floor With Large Verandas, Sofas, We Were In Heaven. We Bought White Clothes, in The Evening she Already Led us To The Holy Program In the Sanctuary, Which is Surrounded By Palm Trees, Eucalyptus Arches, Flowers, and Various birds, a Crowd of people Moving In Peace, Silence, All In Calmness, In the Middle, There Is A Sacred Object With God Sathya. The Surroundings Include Elementary And High Schools, Colleges, Museums, Hospitals, Shops, Residential blocks, Hotels, etc.

For Order And Discipline, Sevas Took Care, Everything Was Flawlessly, Without dictatorship!

Learning Began To Intensify Internally, Understanding The Truth Of Who Alojzija Actually Is, Trusting Her Without Blinking An Eye, Grasping What Unconditional Service Is, What Humility, Self-Respect Is, Understanding that No illness exists, Realizing that cause and effect Always Travel Together. Life Should Flow Without condemnation, gossiping; such behavior is Not permissible for

Anyone, Never cause pain or suffering to oneself, others. Each Must Travel Alone To Fulfill their own Mission for which we came To Earth! The Entire Process Unfolded On Its Own, While Alojzija Securely Guided Us Flawlessly. How Can i Put Into words The Experience Of Facing God Sathya Live? Even Today, I simply Don't Know How To Articulate It; There Are No Words. Everything Happens Through Feeling. Meeting God In physical Form Is Indescribable; There Are No Words To Express How Grateful i Am To Alojzija For Such Heavenly Creation Which Is

Trusted To Her. She Organized Unforgettable Trips, Including A trip To The Cober Altar.

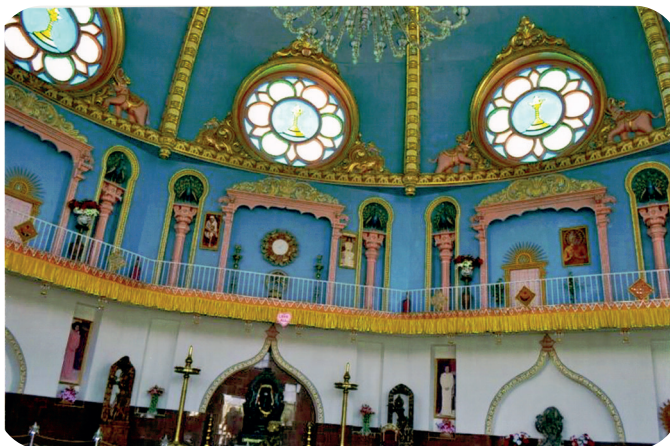

Cobra Altar Of Snakes. For most people, Snakes Are a source of fear and dread. The Truth Is Different: Snakes Are Sages, Just Like Other Animals; only humans find it hard to trust! We Took Taxis From The Sanctuary For About 4 Hours And Stopped Under The Largest Tree In The World. It Was Magnificent, But We Couldn't See Anything From Beneath The Branches. Alojzija Suggested We Walk To That High Rock Where The Cobras Had Their Home, Their Peace. We All Supported Her, But Among Us was Also a lady lawyer who explained to Us that the decision was very dangerous and suggested she wait at the place where We Left. Alojzija Agreed; The Group Had Already Set Off On The Journey To The High Rock To Visit The Cobras. During The Walk, We Sang, Played The Guitar, And Looked Out For Where We Might Meet The Cobras, But We Saw None Anywhere.

Cobras, Nature Wonderful, Large Flat Warm Rocks, Alojzija Made A Suggestion: Among Us Are Professional Dancers, The Cobras Are On Vacation, It's Our Turn To Perform A Live Dance In The Cobras' Residences. The Dancers Were Already Prepared, And On The Large Flat Rock, A Dance In Human Form Took Place In Honor Of The Cobras, Who Had Given Us A Grand Concert And Dance Hall, While The Cobras Were All

On Vacation. Peaceful And Grateful To God For The Lesson, We Returned To The Valley Without A Single Encounter With A Cobra. The lady who waited for Us safely in the valley had to stay locked in the car all the time as she had trouble; The Cobras were constantly harassing her. When We Approached The Cars, There Was Not A Single Cobra In Sight Again. The Lesson Is Clear: it is a sin To Miss A Lesson.

Trip To The Dry River: The Dry River Is Filled Only For A Few Days A Year, Otherwise, The Drought Is Stronger And Longer. It Is Very Wide, And When Water Is Present, People Wash Their Laundry In The River, Children Enjoy Swimming, Animals Quench Their Thirst, Etc. We Continued Our Journey To The Rice Fields Through Paths Covered With Thorns. Alojzija Went First, Barefoot, And We All Followed Her In The Same Style. No One Got Pricked In Their Bare Feet, And There Were No Cobras Anywhere. The Lesson Is Instructive And Clear: Alojzija And Anyone Who Is With Her With Purity Is Fully Protected.

Visit To The Hospital Of Sri Sathya Sai Baba: Alojzija Suggested A Blood Donation, We Supported Her, And Everything Was Already Unfolding. We Were All Very Happy. In The Holy Hospital, Services Are Not Conducted Through Money, Everything Operates Solely Through Unconditional Service. We Had A Tour Of The Hospital, And Upon Leaving, We Held A

Cultural Program In The Holy Chapel, Received Blessings, And Went Home Happy.

Alojzija Does Not Rest, Yet Always Rests, Always Creates In The Invisible World For The Learning Of The visible world. Alojzija, i Am Grateful To You, i Will Be Forever.

When We Were Preparing for the Journey, Alojzija Took With Her 10 Peach Trees, All of Which Endured the Trip Perfectly. In Puttaparthi, We Planted Them In The Park, And All Took Root, Thrived, And Bore Fruit. We Met The Responsible Seva Of The Park, Later Realizing That The Seva Was The Mother of Viktor, Who Was Already In The Elementary School Of God Sathya. In A Previous Life, He Had Been Alojzija's Grandmother. Their Connection Was Still Silently Convincing. Everything Was Revealed to us, Sacred Learning Takes Place Silently, With Few Words Or None.

Elephant Gita: Our Gita, Always Greeted Us With Tears In Her Eyes, As Well As Upon Departure. Every Visit To Puttaparthi Included A Visit To The Elephant Gita With Great Respect. Gita Always Immediately Recognized Alojzija And Gave Us Tears Of Joy. Gita Had A Beautiful Home, A Respectful Caretaker, And Our Visit Meant A Lot To Her. Alojzija Visited Puttaparthi 25 Times With Different Groups And Rich Educational Experiences. She Had The Last Group A Month Before His Physical Departure, Where He Also Gave Alojzija And The Whole Family A Farewell: God Sathya Said: Puttaparthi Travels With Alojzija To Slovenia, To Planinca, Where Paradise On Earth Will Live. Sai Sanctuary Planinca 1, Puttaparthi 2. Slovenia.

The Sai Center was Activated by Alojzija In Ljubljana From 1991 Until 1994. She Organized Many Meetings, Connected with Open Dialogues of problems Those Who Solution Sought, Asked, Were Obedient, Respectful To Reproaches, Solution Came Soon, If Conditions Were Fulfilled, Only God Sathya Could Help Solve emerging problems.

Help Also Came from a Family From Grosuplje To Ljubljana. The case was

unusually burning, this is a problem mainly with those who are convinced that they are super, and the culprit is someone else, but That's Not True! The problem Quickly Resolved, Out Of Joy the family offered, Let Us All Move Together to Them in Potiskavec, This Also Materialized.

It Was Nice, We Took Care Of The Additional Arrangement Of The House, The Surroundings, We Also Found Nice Cooperation With The Children, The problems Disappeared, The School Success Improved, Everything Seemed O.K., but certain events got blocked, We Felt the presence of weight and pain. Alojzija Continued To Seek A Solution, I Remembered That Before My Mother Physically Left, She Gave me A Simple House With An Outdoor Toilet! The Decision Was Made, Let's Move Forward, Let's Go To Potiskavec. When We Traveled To Grosuplje, the owners wanted to give Alojzija a House With A Garden at all costs. Alojzija Immediately Activated A Lawyer, Everything We Received, We Invested In The Shared House, We Gave It Back to the old owners, We Made A New Transfer Back To the previous owner, Said Goodbye, Goodbye! We Carried A Piano On The Moving Truck, Asked For A Slow Ride Through Grusuplje, Of Course, The Piano Played, Accompanied By Singing, Guitar, We Had A Great Time.

Ljubljana, Grosuplje, Kočevje, The Village Was Casually Called

Texas, And It Still Is Today. The House Desperately Needed Renovation, Alojzija Activated The Craftsmen, Made A Program, And The Renovation Of The House Was Already Underway, A New Birth, Life In The Countryside, We Slowly Became More Deeply Connected With Nature, Which Was Close To All Of Us.

From An Old Dilapidated House, It Became A Prestigious Country Lady, With A Revitalized Large Garden And Well-Arranged Surroundings, As The Center Of Potiskavec. the new surroundings were quite primitive in their thinking, As Everything With Us Was Moving At Light Speed, the locals labeled Us as sectarians, drug addicts, etc. Alojzija And Her Family Members Were Not disturbed, We Continued Our Work, Had Many Visitors, Had A Good Time, when sunday came, the village priest announced in the Church that there were dangerous sectarians in the village and that no one should contact Us!

The Family Counted From 8 To 10 Members, All Of Us Were Vegetarians, Fond Of Soft Music, Singing, Hungry For Learning, And The Wisdom Of God Sathya. Alojzija Organized Many Trips, And We Had A Heavenly Time. meanwhile, the villagers were Infected With Our Energy, Love, And Respect, realizing That We Are compliant Lambs And Became Mutual Friends. the villagers Named Us Those From The White House. Alojzija Felt That The Path Needed To Continue And Expand, And

We Supported Her Again, Starting To Look For A New, More Challenging Location With Lots Of Land For A Self-Sufficient Life. The Search For A New Plan, Which Was Growing With Us And Within Us, Was Underway. Alojzija Already Had Precise Guidelines From God Sathya On What The Location Needed To Include. We Searched For A Suitable Land For About 5 Years.

On June 23, 1995, Robert And Darja Had A Son, Tim. Alojzija Was Called By The Real Estate Agency In Celje To View Three Locations That Somewhat Met Her Requirements. Alojzija Visited The Locations Within A Few Days And Chose the worst one with the most impossible Conditions But Alojzija Wouldn't Be Alojzija If She Didn't Feel: We Need Intensive Learning From All Times Since The Birth Of God Jesus Christ And Mother Mary To Finally Fulfill Our Tasks And Pass God's Test For The Salvation Of A Cleansed World That Had fallen too deep into the horror of genocide due to man!

Alojzija Decided On A 30-Year-Old Dump! Everything Proceeded At Light Speed: The Transfer, The Purchase Price. Alojzija Had All The Necessary Money With God's Help, But The Evening Before The Purchase, When She Counted Again, 1000 dinars were missing, Alojzija Waved Her Hand And Said, „It Will Be Resolved By Tomorrow, Everything Will Be Fine.“ In The Morning, Before They Went To The Municipality To Purchase

The Two Farms, Alojzija Casually Opened The Financial Reserve In The Set, Next To The Other Money Was An Envelope That Had Arrived By Air Mail, Alojzija Opened It, And In The Envelope Were 1000 Dinars, Learning Is Trust, And Trust Is The Holy Guarantee.

Alojzija's Crew Arranged Everything, And When They Returned Home, It Was Still Raining, However, As Soon As They Stepped Out Of The Car, The Sky Cleared In An Instant, Completely Covered In Orange, A Clear Blessing For The Right Decision. Alojzija, A Being Of Light, Unwaveringly Followed The Guidelines Of God Sri Sathya Sai Baba. There Was no force that could undermine Alojzija's Trust In God Sathya. After Purchasing The Dump, The Entirely Renovated Potiskavec, Which Had Been Gifted, Started To Be Sold, Alojzija Financed The Whole Process, And Slowly, All The Members Moved To Alojzija's Estate, Planinco!

*Estate Alojzija, Planinca 1,
The Temple Of God Sri Sathya Sai Baba,
Puttaparthi 2*

The First Visit To Planinca Was A Shock For Most, as we were convinced that Alojzija had lost her mind! we conducted a brief tour of The New Estate, with tons of various waste everywhere, A Large Complex, 25 Hectares, Beautiful Hills, Valleys, Plains, And Mature Forest, Alojzija Immediately Opted For The Primeval Forest, It Was Clear To Her that everything would need To Be

Cleaned, As The Terrain Was Suitable For The Construction Of The Entire Temple. none of us realized that we had returned to The Old House we had betrayed many years ago, Once Again, we Were Granted Grace To Settle old debts In The Same Space with the same brothers and sisters, we were followed only by the dump that each of us needed to Clean Up Forever.

Wisdom Was Carried By Alojzija From A Young Age, She Knew But Had To Remain Silent, She Was Often criticized, humiliated, and mocked by her surroundings, as she still is often today! As Usual, Alojzija Was Unwavering, She Created A Program, we Settled In A Very Old Hut In A Dilapidated Condition, Quickly Transforming It Into A House Of Pipi Longstocking, the conditions Were Deeply Educational And Enlightening for everyone, But Alojzija Managed To Activate The House In Bright Colors, In One Room We All Slept With Ten Of Us, And The Piano Was Crammed Against The Wall, Often Accompanied By Live Notes, Singing, And Guitars. Slowly, We Began To Understand Alojzija's Teachings that we are Capable to repay our own Karmic Debts to the space, ourselves, others, that we hurt many years ago! We Fill Ourselves With Eternal Old Wisdom:

*Everything Returns,
Everything Is Paid x Seven!*

Two Newly Purchased Estates, Now One, Thanks to Alojzija, Called Out for Help to Once Again Restore the Dignity of Mother Nature. our Task Was to Revive Every Corner, So That with Us It Would Gift Wisdom to the Universe, The Knowledge of What God Can Achieve Is Attainable to Few! As I Look Back, I Dare to Say: Alojzija Had, and Still Has Trust in God Sathya, Strength of 1000 Mighty Elephants, She Is Uncompromising, The Only One In The Whole world Who Was Able to Create A Paradise On Earth Through Her Heart, The Sanctuary Of God Sri Sathya Sai Baba From A wasteland.

When We Arranged Provisionally Shelter For Ourselves, We Activated the Day Of Blessing Of The Estate, With Unusual Neighbors, Including the Local Priest, Of Course. He Was A Great Sage, but he had to act like the others to maintain his position, Although he was already deeply alcoholic. However, Upon Meeting Us, He Regained His Will To Live. someone reported Him to the church authorities, and He had to leave immediately! When the Priest Visited Us, He Joyfully Revealed An Old Piece Of Information He Had Known For Several Years. While At A Spiritual Congress Far Abroad, on the Third Day, A Nun Approached Him, Asked If He Was Who She Thought, And After He Agreed, She Told Him: Very Close To You, A Holy Family Will Come To Live, Who Will be hated by the vicinity of the town, and You Will Be driven away. This Is Exactly What

Happened Shortly After The Revelation, He Cried When He Told Us The Truth! It Hurt Us As Well.

Upon Arriving At The Estate, Alojzija Noticed An Old Wooden Cross With The Image Of God Jesus Christ Standing In The Middle Of The Property. It had been broken and disrespectfully leaned against An Old Pear Tree for many Years. While Still In Potiskavec, Alojzija Received A Message From God Sathya, Instructing Her To Immediately Build A Chapel With The Image Of The Mother Mary Herself, 2000 Years Old, Upon Reaching the New Location. This Was Done Right Away, We Organized The Blessing Of Mary's Chapel, The First New Building At Planinca, With A Cultural Program, We Also Invited the neighbors and a few local dignitaries, who had ignored Us from the start since we had disrupted the chief local official's grand plan—a hidden slaughterhouse scheme, Planinca Is A Beautifully Protected Nest, where, according to the plans at the time, many things could have been covered up! God Sathya, Through Alojzija, Carried Out A Holy Plan For The Salvation Of Humanity.

After The Blessing Of The Chapel, We All Went Together In A Wholy Procession Through Our Woods To Kalobje, the church Of Mary, Where We Held A Joint Musical, Sung Mass. 'Ave Maria' Was Played By An Experienced Flutist From The RTV Ljubljana Orchestra, Accompanied By famous Organist. The Church Wept With Emotions; No One Expected Such An Event but envy reached its peak, and hell began, a true hell!

Indeed, With Our Arrival, A New Flow Of Life Began in the underdeveloped, Kozjansko Region, However, It Is Necessary To Bring The Truth To Life Through The Learning of all And To Live It In Everyday Life, Something That Is Still foreign to many today! a few days later, Alojzija Received a notice that She must immediately report to a meeting with the bishop of maribor, She Obeyed the order, Accompanied By The Guard Of Peace, We

Were Already Penitent In the Presence of the person in the golden cloak, Alojzija Is Alojzija—Everything In Its Right Time. he was kind To Us, Alojzija Asked him For A Few Short Answers. he was hesitant, but he agreed! the bishop explained to Us that We are not welcome in the church and that the priest had to leave because of Us, etc.! Alojzija Was Patient, Then Asked: what do the 10 Commandments mean to him, What Is A Fish Made Of, Is There Anything Dead in us or around us??? his gaze fell, he became crestfallen, Admitting that he is the greatest sinner who needs to confess every day. Alojzija Responded: confession has Never Saved Anyone, And We Left.

A Few Years Of Life On Planinca According To The Holy Guidelines, With the implementation of the local municipal plan, everything was blocked for Us, impossible! We Were In A Hurry, As We Were Living In Difficult Unusual Conditions, But Alojzija's Wisdom Overcame Everything, She Knew How to Integrate us Into The Natives Bound By Super Hygiene, Superior Order, And Time For Learning The Wisdom Of God Sathya, Perfecting The Cultural, Musical, And Dance Program With Ballet And Already Activating Physically Creative Work, Which Was Much Needed, As We Were Already Reviving Our Own Permanent Living Conditions. We Had Already Officially Connected The Estate To Nature Conservation Legislation, Quickly Activated The Cleaning Of The Scattered landfill, Ensured Proper Sewage Disposal! State institutions Welcomed

Us With Respect, Quickly Realizing That We Were Not just talkers, But That Ecology Was Our Basic Life Necessity, We Wanted To Become Self-Sufficient As Soon As Possible, We Did So Within Three Years, Receiving Numerous Awards, Certificates. Ecological authorities Elevated Us To The Top of Ecology, and the country, with Us At The Helm, Became More Recognizable.

The First visit of the ecologists to the Estate was gloomy, strange, as The Estate Was Indeed in a neglected State in terms of clothing, footwear, hairstyle, when the ecological experts visited again half a year later, they were left speechless and admitted That We Were Not ordinary mortals, Gaining All Support.

In The Beginning, a deeply rutted muddy village path ran across The Estate, We Quickly Activated Trucks With Sand, A Sand Leveler, The Path Across The Estate Was Already More Respectable, The Road Had The Shape Of The Letter S. the villagers and local officials Had Us under scrutiny, envy was rising, But We Didn't violate Anything, Which Was The worst part! Alojzija Respects Basic Principles, It's Hard To Find Fault In Her! We Were Creative From Morning to Evening; the surroundings kept analyzing Us, doubting Us, concluding that We must be on drugs—it's impossible to have so much willpower and strength as They Do! the villagers heard from Someone that Every Other Day We Were On A Pure Water Fast, and that was too much—we became sorcerers! Well, We Could Accept It

all, Nobly Not Reacting, Slowly, Some Began To Realize That New Times, New People, And Different Thinking Had Arrived, Here And There, Some Respect Towards Us Began To Emerge. even the press spewed out criticism Towards Us, Alojzija And Her Family Again Showed No reaction, once, a journalist asked Alojzija when we would react. Alojzija Smiled And Asked, „To What? after all, there is freedom of speech!“ the journalist turned away and left speechless—what else could he do, he probably realized that he...

For Three And A Half Years, We Just Cleaned, Cleaned, Cleaned, Until We Lit The First Fire. It Burned Continuously For Fifteen Months, Only The Location Moved With Us, It Was A Sacred Journey Through Nature, With Nature, In Nature. The Bushes Had Overgrown Everything Long And Wide Before Us, We Carefully Cleared And Already Planted Young Trees According To Our Nutritional Needs. Everything That Was A Bit Thicker During The Clearing, We Set Aside For The Kitchen, The Stove, And Other Suitable Wood Beauties We Preserved For Our Own Parquet When The Right Time And Space Would Come, That Too Became A Reality, We Have A Lot Of Natural Parquet From Our Own Bushes, Made From Seven Different Tree Species, It's The Most Beautiful Parquet In The World, We Made It Ourselves, Laid It Ourselves, We've Been Walking On That Parquet For Many Years.

As We Were Arranging The Estate, We Discovered Eleven Old Ruined Walls, Large Buildings, Thick Stone Walls That Had Long Since Decayed, It Was Entrusted To Us That Each Of Us, Through The Serving Of Our Karma, Would Rebuild A New Settlement; We Are The Foundation For A New Sai Generation. Alojzija Is Now 74 Years Old, She Is Tired, She Needs Peace, Respect, And Health, Much Of This Depends On The Surroundings, Let's Help Her, So She May Watch Over Us For A Long Time, Time Matures, Truth Finds Its Place, The Flow Of Life Fully Unites with The Truth.

the church Also had a lot of work with Us, it Was Felt that they feared for their existence, But among the church employees, there were Also Those Who Thought Differently, Who Stood By Us And Encouraged Us. The Truth Was Gaining Strength, they realized That We Meant No Harm to Anyone, That We Were Messengers Of Peace, they Calmed Down, left Us In Peace.

We Also Had To Deal With The Water Supply, When We Arrived, There Was No Running Water On The Estate, Only A Small Pond That Was Occasionally Filled By Rain, We Had To Bring Water For Use, Which Was Very Difficult, Alojzija's Comfort Was To Trust God Sathya, That Water Would Soon Flow, Once Again, Alojzija's Prediction Came True: Within Three Weeks, Water Began Flowing From A Strong Spring, Which Still Serves Us Today For All Our Luxurious Needs.

When We Realized That The New Spring Was A Gift From God Sathya, We Decided On A Concrete Solution, We Began Digging, Both Manually And With Machinery, To Build A Water Supply System That Would Bring Water To Every Corner Where It Was Needed.

Electricity Also Traveled Across The Estate through wires, Alojzija's Initiative Was Heard, Soon An Electric Company Vehicle Arrived In The Courtyard With Workers, We Connected And Treated Them Kindly, Soon The Electricity Was Running Underground, Nature Became Even Softer, Friendlier, We Built A Second Structure, A Small House For The Electrical Box With Two- And Three-Phase Current, Marking A Step Forward In Development.

In The First Year, Alojzija Decided To Purchase A Tractor Named Beli, Which Was Also White In Color, Perfect For Our Terrain, Plows and Harrows Soon Joined, as Machinery Was As Necessary As We Were, Alojzija Skillfully Handled Beli,

On dangerous terrain, She Drove It Herself, A Little Later Brother Tomo Vinković Joined, Making Things Even Easier For Us. By The Very Beginning, We Were Already Well Equipped. We Also Acquired A Mulcher For Shredding Branches And Undergrowth, Which We Used To Fertilize The Fields, Around The Trees, Etc. We Bought A Large And Small Rotavator, Along

With Various Tools, Many Of Which Were Also Gifted To Us, Alojzija Taught Us How To Properly Handle And Maintain The Tools, Machinery, And Spaces, Her Wisdom Was: There Should Be No Difference—Whether It's A Baby, An Operating Room, A Workshop, A Garden, Or A Field—We Are All Sai Family.

I Would Also Like to Mention the hunting stand that once stood In The Heart of Our Estate. We All Agreed That hunting did Not belong in Our Way of Life. Alojzija Reached Out To the hunting Association, Explained That We Were Vegans And Vegetarians, Respecting Both Animals and Plants, She Emphasized That All Living Beings Are Our Friends, And We Kindly Asked for Respect For Our Lifestyle And The Immediate Removal Of the hunting Stand, As We Do Not Permit Hunting On Our Land, She Called

For Cooperation and Mutual Respect, Highlighting That We Are Simply Different. For a While, This Seemed To Hold, but We Clearly felt the hunters' growing resentment Toward Us, Which We Could Read from some of their gestures! one sunday, however, the hunters returned with their Dogs, crossing Our Land again. We Left them alone but recorded and photographed

everything, Collecting Enough Evidence of their unseemly behavior, One Of Our Family Members Even Managed to seize a loaded gun from a hunter who was threatening Us, This Move was too much for the hunters.

During the Court battle, We Reached Another Compromise with the higher hunting association and the Police: There Is no hunting on Our Land, And That Is How It Has Remained To This Day. All Animals And Plants Are Our Sisters, Brothers. We, As Humans, entered Untouched Nature, We Were Aware of This, Yet, We Also Knew That There Is Enough Healthy, Peaceful Space For Everyone, human Must Be Sensitive And Respectful. We Have Provided A Home For Horses, A Donkey, Lamas, Ducks, Pigeons, Bees, Peacocks, Cats, and dog Sre□ko. We Never killed Anything! Even In The Soil, There Were Many Friends Helping To Loosen The Earth, and So On. We Truly Were A Great, Creative Sai Family.

*A Mighty Oak Has Always Graced, Founded To Await This
Space Heavenly Task, The Space Was Found By Him As A
Young Boy In The Eastern Part Of The Estate,*

*He Had A View Of The Entire Estate. During Our Time Living
There, Brother With Heavenly Violin Playing Often Climbed The
Oak, Playing Gentle Melodies On The Oak, Which Celestially
Merged With Nature, In Front Of The Old House Stood A
Graceful Linden Tree, And Part Of The Forest Was Mainly
Beech, Spruce, Maple, Etc. After Several Years Of Living
Together, The Oak And The Linden Began To Say Goodbye, At
The Same Time, They Showed That The Time Had Ripe, That
We Would Part Ways In This Form, Each Already Awaited A
New Task! The Linden Became A Magnificent Staircase In The*

Three-Story Sanctuary, While The Oak Was Very Useful For The Flooring In The Sanctuary, Which We Made, Shaped, And Laid Ourselves, It Has Carried Us For Many Years, A Beauty Among All Beauties.

Otherwise, The Estate Is Famous For Many Different Types Of Trees, The Most Revered Being The Mighty God Tree – Ilex – Which Still Dwells In The Same Place, Years Ago, It Was Further Adorned By A Large Natural Fountain, Along With Other Trees, Grasses, And Stones, Feeling Heavenly. Since Our Arrival, We Have No Longer Allowed anyone to cut its Branches for firewood, when asked why, We Say We Do Not Permit It To Be harmed Anymore. The Estate Is Rich In Old Varieties, Different Species, And We Have Also Taken Care Of The Newer Ones – A True Abundance Of Fruit By God's Will, Following Alojzija's Guidelines.

Reviving Fields, Gardens, Meadows. Most Of It Was Overgrown With Shrubs And Weeds, We Reimagined Everything Anew,

Breathing Life Into Its Purpose. We Revived Everything Using Natural Methods, Without chemicals, Enriching The Soil With Natural Resources Obtained From The Estate.

Amid All The Obligations And The Will To Create A Paradise, A drama Unfolded at the municipality with the then-mayor, who kept Us in submission because We Had Honestly And Expensively Purchased the long-shamed Land of the former dump, this was deliberately orchestrated so that the mayor could, out of “compassion,” take over the land and turn it into an uncontrolled slaughterhouse! Alojzija Herself Sketched The Necessary Plans, Providing Clear Enough Guidelines For A Family Member Skilled In Technical Drawing To Depict Them In Detail, The Plans Only Needed An Official Technical Signature And Stamp, Which Our Good Friend Provided, We Prepared Everything Meticulously, But When We Presented The Entire Plan to the municipality and the amayor, it turned into an unstoppable fire, one that could not be extinguished, We Allowed the fire to spread without Putting It Out. Alojzija Always Ensured She Was Well-Informed About Everything Before Moving Forward. the war lasted a full three years—hearings upon hearings, all Requests rejected without real reason, Alojzija Again Resubmitted The Building Application, And So On. After Three And A Half Years of torment Under Difficult Living Conditions, fueled by the envy and malice of the mayor, who often slept and nodded through meetings, One

Afternoon, Alojzija Sang: "Tomorrow, We Begin To Build, To Build, To Lovingly shovel away the malice, shovel away!"

Prepared, Set Out, Everything Entrusted To God Sathya, Blessed With Om, As Every Day, And In The Evening, And Many Times Throughout The Day, This Is Our Path Of Unconditional Love. physically, We Had Peace, But We Felt That It was boiling with the head of the municipality, since he had achieved nothing legally anywhere he troubled Us, every interrogator quickly realized that this was a crime of all crimes! Many Felt Sorry For Us, But Most Of Them Said: we have to interrogate, it's our job, our bread, You Hold On, Everything Will Be Resolved In Your Favor, You Are Facing A Great Test, You Will Win.

Construction Was Progressing Rapidly, We Had Already Laid The Slab Of The Third Floor, a registered letter arrived For Alojzija, tomorrow the engineers will come to level the Construction site to its original state, but you can also do it yourself by tomorrow morning! We Were Tired, We Didn't Feel like laughing, but the letter Struck Us So Deeply, We Were All Speechless, Yet We Entrusted Everything To God Sathya, Trusted Even More Firmly, Remained Calm, Calm, Calm, Everything Unfolded Normally, We Went To Rest, The Night Was Short, The Next Day Nothing, Nothing, Nothing, Everything Went Back To The Usual Routine, Without any threatening visits.

We Continued Traveling, Rushing With The Construction And Other Creation Of The Estate, At The Same Time, Numerous Group Visits Were Already Taking Place, Necessary For Learning Sacred Ecology, Natural Living According To The 10 Commandments Of God, Without deception, The Commandment Teaches: Thou Shalt Not kill, This Must Be Strictly Followed! It Was Tuesday, A Large Group Had Been Scheduled For A Visit, After They Toured The Estate With Alojzija, We Usually Chatted A Bit, Complained To Each Other, A Middle-Aged Man Moved Slightly Away, Asked Alojzija To Step Aside With Him, And Confided That He Had Been assigned to a group sent to demolish Our Building, There Were Seven Drivers, Seven Bulldozers, Of The Seven Bulldozers, Not a single engine started at 7 am at the gathering point in front of the municipality, Yet they all drove to the gathering point with their bulldozers!

God's Reaction Through The Bulldozers Was Eloquent Enough, Shocking Enough for everyone present, especially for the organizer, the municipal head, who had approached the matter with great appetite! but he forgot The Eternal Wisdom: he who digs a pit for Others, falls into it himself! The Man Revealed To Alojzija: You Are The Only Ones On The Right Path, Just Continue, You Have My Support, we have learned much From Your Wisdom. a few days later, the then-mayor was suspended, A Man With Sacred Logistics Took Over The Mayor's Position, Within Three

Days, All The Municipal Documents Were Blessed, We Hurried Forward, Paradise Quickly Ripened, Matured In Every Sacred Corner. Here We Are, God Sathya, Through Alojzija, Provided A Carefree Life For Those Who Will Become Aware Of The Meaning Of Divine Grace, The Uncompromising, Unconditional Devotion Of Alojzija To God Sathya.

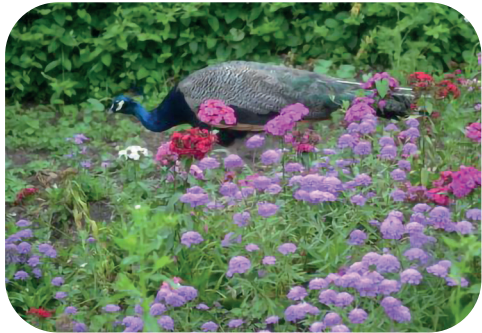

Wastewater Treatment Plant: Alojzija Was Educating Herself At Every Step, Both At Home And Abroad. While She Was In Beijing, She Found A Local Newspaper In Her Hotel, Opened It, And While Reading The Articles, She Came Across A Gentleman From Slovenia, Who Was Very Successful Both At Home And Abroad With His Own Ecological Program In The Activity Of Clean, Healthy Water. She Realized That This Was Information

We Would Definitely Need, The Newspaper Went Back To Slovenia In Her Bag, And Soon Enough, We Already Needed It. God Always Comes To our Aid At The Right time, It Is Up To us To Accept Divine Guidance And Also To Use It! When Our Main Building Had Already Taken Its Basic Shape And Function, It Was Necessary To Professionally Activate The Process For Waste And Other dirty Water. Alojzija Brought The Newspaper, And We Already Had The Address Of The Expert For The Proper Solution to wastewater.

Since Alojzija Had The Contact, She Arranged The First Guidelines, And We Were Already Digging And Preparing The Ground For The Plant-Based Water Treatment System, Both Manually And With Machinery, Everything Was Moving Quickly Again. Three Large Basins Were Needed, Along With The Entire Transit Trench, Thick Pipes, And Much More, We Managed Everything Under The Professional Guidance Of The Gentleman Whom Alojzija Had Met In Beijing. The Treatment Plant Has A Capacity For 100 people So It Is Always In Very Good Condition For Further Use Of Clean Water! Of Course, Alojzija Added Two Larger Basins, Slightly Lower Than The Main Treatment Plant, Together They Are All Nicely Complemented By Plants Meant For water Purification, While The Lower Basin Has Taken Care Of A Family Of Water Lilies,

Whose Beauty Is A Sacred Joy. Alojzija Blessed The Treatment Plant In The Name Of God Sathya, Everything Was And Still Is Working Perfectly, Once Again, We Received Praise And Recognition From Environmental Experts, Everything Works, Beautifies Nature, And Provides Us With The Gift Of Spotlessly Clean Water.

Quite a Few Useful Glimpses for Learning i Hope i Have Brought Close Enough, i am not an experienced writer, i Have Felt the Need for a Long Time That It Is of Great

Importance To Share At Least Some Glimpses Of Alojzija With Those Of Us Who Need Sacred Learning From The Practical Flow Of Everyday Life. Alojzija Is Hard to Describe With words, especially if we harbor envy, malice, and at the same time benefit From The Kindness, Unconditional Love, Of Which we have No clue!

Alojzija Is A Miracle Of Miracles, yet regardless of age, we find ways to destroy Her, to ruin Her, Despite Her Abundant Gifts, Which She Has Completely And Eternally Bestowed Upon us, So That we May Experience Heavenly Bliss. our own Karmic debts, in the Right Space, With Yet Another Opportunity, we

shall all Enrich together! If Alojzija Had Not Taken The Step Of The Project Of Truth, none of us would have had This Deep Opportunity!

Dear Alojzija, regardless of who i was or am, i Carry God Within me, i Feel That This Time I Will Remain God's Light, the pain has been enough, Please, Alojzija, i Would Still Like To Continue Being Your Student Of Truth.

Unconditional Love Is An Energy That Cannot be understood rationally, It Operates On The Level Of Divine Grace. Alojzija Has Helped us In A Million Ways, but our malice and arrogance have only sought to find flaws in Alojzija. There Were Many Beautiful Moments, All Moments Could Be Beautiful if we hadn't been foolish when we crossed the threshold of all reason, Alojzija Helped us With A Gifted Slap, Sometimes A Cold Shower, Sometimes A Calm Space For Sober Reflection And Repentance, And A Peaceful Return To The Family. Alojzija Helped us, but we again looked for a flaw in her, Which Did Not Exist, it was only our need to judge, judging her is the easiest thing for all of us to Do, but the problem lies within Us, Karmic old burdens are still abundant, on top of that, new ones have been activated, the weight within us is heavy, full of pain, i Hope That Reason Has Already Begun to Sprout Within us, To Understand That Alojzija Is God in Thought, In Rare Words, In Actions.

At This Moment, i have Decided To Shed Light On The Following Sacred Events. The New Generation Has Brought Three Beautiful, confident Girls, And A Handsome, confident Boy who absolutely refused to walk on his own! The Mother had a consultation with a doctor who advised her to get spine therapy, Alojzija Was The Driver, when the mother called asking what to do, Alojzija Said to her: Take The Child, Quickly Go Home, the old situation of boy's refusal to walk independently repeated itself, Alojzija No Longer Allowed Helping to walk, after a few moments of futile resistance, the Handsome Boy Stood Up On His Own, Walked Without any problem! Alojzija's Teaching Is Sacred, but our stiffness is full of envy.

There Is One More Lesson i Would Like To Reveal To Those hungry For Learning. A Girl Who Seemed Very bright decided to manipulate those around her with Illness and unexpectedly began to breathe heavily, choke, and faint, those around her were distressed, Alojzija Knew Right Away that it was another act of manipulation, during one of these attacks, Alojzija Took A Small Bowl, filled it with cold

water, during the attack, she poured the cold Water on the girl's face, The Girl Was Immediately Healthy, asthma Was Gone Forever, Health Remains With Her To This Day, Both Are Successful In School, Beautiful, Healthy, envy still prevents gratitude toward Alojzija, But Alojzija Doesn't Need thanks, She Knows That This Is All Part Of God's Play Through Alojzija's Trust In God Sathya.

Self-Sufficiency Is The Strength Of Indigenous People Without Killing. By God's Will Self-Sufficiency Was Marked As The Foundation Of The Holy Project, This We Also Achieved In A Good Three Years, Only Salt Was Brought To Us By A Sisters From Tuzla. Self-Sufficiency Enthusiastically Lasted For A Few Years, then the zeal for this way began to diminish, the result was a smaller harvest, less variety of food, for some the flow of life continued in the alluring outer world, among them was myself as well, after a few weeks I returned again, to share wisdom and once again set off on the path of departure, this way quite a few of us traveled, Clean Hands For Creating Holiness Were In Short Supply, the situation is what it is. Even Healthy Vibes began to dwindle, Alojzija Also Started To Lose interest in us imaginary truth-lovers on the tongue, now traitors Of Truth wandering, all of us know that bluffing has gone on long enough, Karmic debts have An Anchor On Planinca, we waste time, hiding from Responsibility, Self-Sufficiency! It is hard for me and Easier, i

have a Feeling That Alojzija has let us Go From Protection, the whole world is sinking, so are all of us who wronged Alojzija, the injustice we did was to ourselves, to each of us, Alojzija Has Become Her Own World, That is correct, I Trust The Family, I Hope That i will With The Help Of The Family Resolve Karmic debts from The Era Of God Jesus Christ, Now Of God Sri Sathya Sai Baba, Mother Mary now Alojzija Of Light and us essenes, we are all together again On Planinca, To Resolve, Free Ourselves, So The New Generation Can Thrive.

Climate, Weather, Seasons: winters were initially very harsh with plenty of Snow, we Noticed That Even The Seasons Began To Come Towards us, Probably we Traveled With Enough Firm Creativity Even Towards Nature, And we had already Earned Rewards In Warmth. we Became also Attentive that if there was a tense situation present, The Weather Quickly changed to Fog, Rain, Snow, Wind, Etc. When The State Here Harmonized, The Sun Already Shone. The Estate Was Placed By God Sathya At An Altitude Of 550 Meters, Every Little Change Is Felt Quickly.

Each Season Is Wonderfully Reflected In Paradise, Perhaps For Those Living In Paradise, Spring Is The Most Interesting, Because The Bees Are In Full Action For Entertainment And Amusement. Various Birds Also Have Their Concerts, Along With A Great Number Of Other Large And Small, Very Small Animals. Summer Is Very Warm, Pleasant For Working In The

Fields, Including Many Mediterranean Varieties, With A Little Skill During Winter, Lots Of Love, And God's Help, Everything Is Possible, Autumn Is Wonderful In The Expression Of Natural Colors, With Plenty Of Different Fruits And Natural Delicacies In Abundance, To Offer As Gifts To Others. The Cleaner We Became, The More Nature Drew Closer To Us, Giving What We Needed On The Path Of Honesty, Without earning money At The Expense Of Mother Nature. Alojzija Already At The

Beginning Activated Daily Prayer In The Form Of Conversation With God Sathya, Who Responded To us Through Various Sound Effects, Information In Sleep, Images, Etc.

A Few More Words About The Beehive: It Arrived

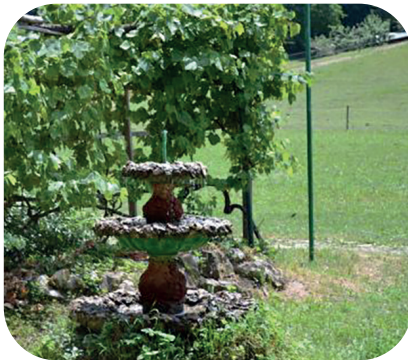

With Brother Right At The Beginning, Along With 9 Hives Of Bee Families, So We Were Also Provided With Honey For The Sweet-Toothed.

We Were Very Rich With Soil That Is Formed With The Help Of Moles, We Often Relocated The Rich Molehill Soil To Places Where It Was More Needed, More Useful, Especially In The Greenhouses. We Also Took Care Of Spring Seedlings And Various Vegetables Ourselves, Of Course, Everything Took Place Under The Guidance Of God Sathya, Alojzija, It Is Still The Same Today, Everything Worked, And It Only Works If Alojzija's Guidelines Are Respected. The Flow Of Life In Paradise Intertwined Through Us And Those Who Joined From A Humane Perspective, but also the inhumane were Not lacking In The Process! Construction, Care, And Responsibility Of The Estate, Self-Sufficiency, Contact With The Public, Numerous Groups, Buses, Visitors Were Very, Very Many, Everything Intertwined, Who Else But Alojzija Knew How To Coordinate Everything Physically, Connecting It All So That Everything Happened In Harmony, At Light Speed, We Had Visits from Official Channels, Both At Home And Abroad, In Addition, The

Cultural And Musical Program Developed, Performances Outside Planinca, Excursions, Colonies, The Scope Was Already Widely Covered, In All Areas, We Also Had Experts To Cover Those Areas, We Had Already Won In The Field of schools, The School Took Place At Home, At The End Of The Year, The Scholars Received dates, Went for exams, Always Passed, And Traveled On, Now Already In High school!

When i Observed The Process, at Times it became Clear to me Who Alojzija is, but envy is envy, the power of satan is a great toy for most, Instead Of Following God Sathya And Alojzija. a horror of all horrors, Now When i Read The Truth from within myself, i am afraid how and when i will settle all debts, God Sathya, Help Me, i Beg You For Strength.

„I Must Not Forget The Kitchen, Which Had A Special Place In The Entire Process, The Conditions Were Still poor, But Alojzija Through An Responsible Person Led The Kitchen To High Hygiene

In Preparation, In The Kitchen Itself, Everything Moved Under The Expert Leadership Of Alojzija, With God's Blessing Sathya, And The Satisfied Family Stomachs. “

Alojzija Already Knew Then That It Is Not Only About Cooking And The Material Of Food, She Was Aware That It Is Essential Who Cooks, Whether The Cooking Is Done With Love or with hatred, and the response of those who consume the food is in accordance with that! No Matter How Physically Burdened She Was, She Made Sure To Devote Time And Presence To The Process Of The Kitchen, Blessing Everything With The Blessing Of God Sathya, So That The Food Would Be Cleaner, More Enjoyable, Stronger, Every Shade Could Be Registered, As We Had A Clean Fast Every Other Day, Sensitivity Was Even More Subtle, On Other Days We Consumed Food Only Until 5 PM, The Food Allowed Everyone To Have An Easy Journey To The Sacred Teachings For Those Who Were Hungry For The Truth! Alojzija Had A Lot Of Practical Knowledge From This Life, Previous Lives, She Is A Tear Of Wisdom, If we Need It, or if Alojzija is of no need to us!!!

The Laundry, Sewing Room, Bathroom, And More Took Place In One Of The Temporary Spaces, Just As Other Family Tasks Took Place: Right At The Beginning, We Had A Washing Machine Outside Under The Plum Tree, Later It Moved To The P,Š,K With Other Service Facilities, We Heated Hot Water In A Larger Wood Stove, In The Summer We Showered Outside! We Also Had A Modern Toilet, In The Old Barn, We Activated The Toilet, Located About 300 Meters Away, We Also Equipped The

Old Wood Stove For Winter Time, Anyone Who Used The Toilet Was Responsible For Heating, We Also Had Running Water For Hygiene In The Toilet, In Short, We Already Had A Bit Of Luxury! If There Was A Line In Front Of The Toilet, We Would Observe The Stars, The Moon, The Sun, Sometimes We Would Sing Too, That The Predecessor Hurried Up, There Were Many Of Us! From All This, We Could Learn Many Skills, Or waste time, this also happened in me, gabriela, Alojzija Didn't Allow Herself To Be careless, She Had Everything Under Control, She Was Connected With Various Statesmen, Both At Home And Abroad, Environmental Experts, As Well As Sai Centers Around The World, Especially In India. From 1996 Until 2010, There Was A Significant Increase In A Better Way Of Life, Somehow Many Wanted To Imitate Us, But It Wasn't That Easy, There Were Many Visitors, The Residential Building Was Already Usable, We Definitely Needed A Hall For Cultural Purposes, But We Were All Already Tired, We Realized That We Had To Make This Happen As Well. Alojzija Again Inspired Others In The Preparation, The Next Day Our Good Friend Appeared In The Courtyard, Greeting Alojzija Was Followed By: „What About The Hall, Tomorrow I'll Send You A Bulldozer With A Driver, Let's Win With The Hall, We Definitely Need It! Alojzija's Thick Light Blue Eyes Filled With Tears, no one Realized That Alojzija Only Sleeps On The Way, If She Knows That She Has A Few Meters Of Flat Land Ahead!!! Her Mission

Is Of Divine Nature, But sometimes It Was unreasonable for a regular earthling to understand Where She Gets So Much Strength, Prudence. Alojzija Also Richly Equipped The Hall With Various Instruments, Everyone Had Their Own Passion, She Was Ready To Please Everyone, All The Wise Ones Were Musically Gifted With Absolute Pitch, And Since Alojzija Knows That It Is Much Easier To Travel Musically If You Have Professional Knowledge Of The Playfulness Of Notes, She Took Care Of Experts, The Music School Took Place At Home Under The Guidance Of Music Teachers. God Sathya Takes Care Of Everything, You Just Have To Want It! The Specialist In Instruments Became Hungry For The Sitar, Alojzija Had Already Organized A Seven-Member Sai Group, We Were Already In The Air, We Had Already Bought The Sitar, But We Still Needed A Teacher, Alojzija Also Took Care Of The Teacher For Everyday – Three Weeks Of Intensive Learning, We Were Already In The Air, Flying From Puttaparthi Back Home, Of Course With The Sitar, Which Sacredly Belongs In The Hall, Beautiful Music Played From The Heart. The Listeners Were Moved, What Do We Not Have? It's True, We All Have Everything Material, but In The Heart, in the mind, some still struggle at times, This Is painful For All!

This Way Of Life Was Also Accompanied By A Journal Of Records, Which Was Entrusted To me. Sometimes It Was

Okay, sometimes it Wasn't okay. Cameras, Photographs, And Documentation Always Traveled With Us, The Documentation Was Extensive! One Day, The Phone Rang, A Voice Asked For

Alojzija. When She Answered, She Started Shaking Her Head: It Was Radio and Television Ljubljana With A Request That They Would Like To Film A Documentary With Us, Okay, We Said, We Can Do This As Well! We Realized That To A Full Schedule We Already Had, This Would Be An Additional Burden, But It Shouldn't Be A burden! After The Filming, It Was Exhausting, We Said Our Goodbyes, Seven Weeks Later, It Was Already On Television Ljubljana Program 1, Soon After That, They Asked For Permission To Translate It Into English, And A Little Later, The Documentary Was Translated Into Six Foreign Languages, We Were All Happy, The Response Was Huge, And There Were Even More Visitors And We Managed It All.

Intensive Learning With The Light Of Being – Alojzija: If You Don't Allow Yourself To Be Present With fatigue, envy, malice, we Have Enough Purification with us, If we are Honest with ourselves, Truthful, If The Being Of Light Is Available To Us, I Claim There Is Only One, Don't Allow It To leave us, Let's At Least Take Care Of An Honest Old Age With Respect For It, If Anyone Deserves Peace Even In The Physical Body, It Is

Alojzija. Let everyone stop judging Her within themselves, none of us understood Alojzija's Actions, Which Were All Only To Help us! Let's Start To See ourselves, only ourselves, But we must also Not judge ourselves, no one, never, Our Only Duty Is To Live Honesty, Truth In Our Thoughts, In Rare Words, In Actions Of Unity, The Last Words Are Already Coming To Life, Let's Live Humility, The Truth Of Eternity, Let's Not push It Away, Let's Consciously Unite With All Beings!!!

Isusica – Jesus' Mother Saves Everything: This Event Has Been Embedded In My Memory Forever. Our Self-Sufficiency Had Been Widely Established For Several Years, But Nature Decided To Reward Us With Even Richer Gifts. Where To Put Them??? The Old Story Repeats Itself, Alojzija Suggests A Family Trip To The Croatian Side, Where There Is A Large Store, A Big Warehouse, We Will Solve Everything There, And Indeed, We Set Off With A Van To The Croatian Side, Everything Went Well, We Bought, Loaded A Large Number Of Two-And-A-Half-Liter Jars For Canning, Almost Ready To Go. Alojzija Looks To The Right, She Notices A Middle-Aged Man In Distress, She Approaches Him, Asks If He Needs Help, The Man Looks At Her, Trusts Her That He Came From Far Away For The Jars, But Now He can't get into the car, He Won't be able to make another trip! Alojzija Asks The Family For Help, She Asks The Man If He Trusts Us, Everything Will Be Fine! The Man Was Shocked, It was impossible for Him, But Alojzija Entertained The Man Away From The Car, While The Team Took Care Of Everything, Arranged Everything, All The Jars Were Placed In The Car, We Invited The Man To Check If Everything Was OK, The Man Was Speechless, Silent For A Few Moments, Then He Announced: »Until Now, I Have Believed In Jesus, But Now I Believe In Jesus' Mother', They Parted Ways With Dignity, The Man Had Tears In His Eyes, Watching Our Departure.

Learning, Learning, Learning – It Was Strangely Beautiful For Everyone, We Were All Proud Of Alojzija, the horror lies in the fact that we choose when Her Gestures Are Interesting to us, Clear; if we don't understand Her Actions, we blame Her for our undignified moves toward Her, On Her, our envy feeds, we have all contributed to the point Where She Is Completely Exhausted, Worn Out, She Is The Only One Who Can Keep Her Head Held High, while we grow Into Beings Of Truth, Who Do Not Allow Any judging, condemning, gossiping behind the back, targeted lying, slandering – these are the traits of a defective person, a targeted destroyer!!!

The Order Of New Constructions Went Like This: A Chapel, An Electrical Cabinet, Renovation Of The Hayrack, Of Course, Alojzija Urges The Family To Buy A New Large Saw, Immediate Realization, Already Assembly, Concrete Work, Sawing Of Large Logs, Which We Needed!!! A Basement, A Granary, A Little Barn, A Small House With Large Acoustic Hall, And In Between, We Managed To Do Some More Things, Reviving Old Cultures, The Menus Were Rich. Once Again, We Were In A Hurry Alojzija Sometimes Sketched The Guidelines On A Piece Of Cardboard, A Logical Presentation Of The Sacred Guidelines, Everyone Immediately Understood If Only The Will Was There. One Day, A Man With His Family Appears, Tells Us: »You Are Not Ordinary people, I Am Watching You, What You

Create, americans would not be able to do with all their modern technology', He Lifted His Hat, Bowed To Us, And They Left In Silence. Everyone Was Watching Us, Wanted Or Not, They Were Learning From Us! Holiness does not come through a grave tongue, empty words, Sacred Teaching Is A Song, Laughter, Joy, without meat, blood, killing, abhorrent words! Humility, Purity, Compassion, Is God Sathya Himself.

The Curtain Was Already Completely Made, Waiting For The Largest Entrance Door, They Arrived From The Berlin Theater Right At The Very Beginning, Through The Priest, Alojzija's Friend From The Old Days, When The Sanctuary Was Completed, We Just Hung Them On The Prepared Stands, Only God Can Achieve That, every word is superfluous. When The Little Cottage Was Roughly Completed, Alojzija Had Already Decided On A Bread Oven, Of Larger Dimensions, Which The Stove Makers Were not Skilled At. After Some Consultations Had Already

Been Conducted, Alojzija Decided To Invite More Of The Family For The Purchase Of Tiles And Larger Side Mouldings, Without decorations, As The Oven Itself Would Be The Greatest Decoration, As Alojzija Already Had In The Information Of Her Heart. It Is Sometimes Difficult To Follow Alojzija, But If We Allow And Simply Follow Her, Without imaginary, primitive words, Everything Is Simple!!! Finally, Alojzija, With God's Help, Discovers The Stove Maker, Who Dared To Take Responsibility Without corrections. We Already Had The Materials At Home, Also The Stove Maker, The Assistant, Let's Start Building The Stove!!! When She Was Choosing The Mouldings, the shopkeepers tried to sell Her all kinds of figures and models, But After A Few Moments She Stopped them: I Am Buying, I Know What I Am Buying, I Am Not A Prostitute, I Do Not Bargain! they were shocked and Proud To See What A Buyer Of Dignity Looks Like, In The End, They Rewarded Her With A 30% Discount On The Purchase, When The Stove Was Completed, The Store Manager Came For An Inspection, And Was Left Speechless. The Stove Features Accents Of Gentle Green And Beige Colors, The Size Is A Secret, It Does Not Consume Much, Yet It Bestows Abundant Love From The Heart Of The Home, Freely Offering Warmth.

The Facade Of The Home Also Received Its Dress At The Right Time Among Us, Everything Progressed According To The Already Known Plan — Guidelines, The Decision On The Sacred

Shade Of Color, Good Weather, Beauty Was Already Radiating From The Heavenly Walls. The Wall Dress Was Joined By A Balcony On Three Sides Of The Little Home.

We Also Took Care Of A Slightly Larger Stable On A Bigger Pasture For Horses, Llamas, And Even More; For Example, Tim Received A Cute Little Donkey Named Luka For His Birthday, The Animals Were Housed On One Side, While On The Other Side There Was A Storage Area For Hay And Some Treats.

For Bigger Space Also Requested Larger Flat Area Itself: Long Before Our Arrival, One Of The Former Inhabitants Had Committed suicide On That Land. We Blessed The Space, Deepened It, Leveled It, Built A Large Garage — A Multipurpose, Grateful Space, Serving Many Different Needs, I don't know how We would manage without This Space, Alojzija Always Knew How To Breathe The Meaning Of Life Into A Place.

Greenhouses: A Home For Plants For Us To Survive Easier:

The Large Greenhouse Was Built By Craftsmen, Twine for tying seedlings Wew All Ours, Along With, Of Course, As Much Active Participation In The Greenhouses As Possible, We Got A Bit

Smarter Along The Way, But The Sai Family Managed Quite Well, And Alojzija Also Gave Her Blessing, We Had A Lot Of Healthy Seedlings, Different Varieties, We Created Happily, Mother Nature Through Gratitude, Bestowed Upon Us Plenty Of Healthy Food.

A New Home Was Also Given To The Old Electric Mill, With Natural Stones, The Entire Mill Came To Us Along God's Path, By God's Will, It Truly Deserved A New Home, If We Had Not Rescued It With Gratitude From the scrap yard, It Would Have been destroyed, In Our Case Of Rescue, The Little Mill Was Rehabilitated According To Alojzija's Guidelines, The Mill Was Beautifully Restored, Given A Youthful Appearance Through Sai Artists, It Has Served Flawlessly Ever Since, We Know It Loves Being With Us, And We Love Being With Him, We Will Be Together For A Long Time Still, And Enjoy Good Bread.

Already At The Beginning Of Sharing Information, i Mentioned That At The Lower Part Of The Estate, A Small Pond Was Waiting For Us, Which, During Rainfall, Only Filled With A

Little More Water, But When, After Three Weeks, God Bestowed Upon Us A Strong Spring, Even The Tiny Pond Became A

Slightly Larger Little Lake, We Nicely Arranged Everything, Fenced It Securely From Foxes, We Acquired Some Mute Ducks, Which Felt Very Comfortable And Even Reproduced While Still Young, Friends Brought Us A New Wooden Villa, And Once Again Everything Came Alive By God's Will, With Alojzija's Step Toward Redeeming a dumpsite, It Had Already Become A Paradise On Earth. How Little It Takes For The Flow Of Life To Shine Upon The Earth.

Of Course A Heavenly Fountain In The Middle Of The Altar In Solemn Estate Could not Be Missed, By Now, Everyone Can Already Imagine The Image Of The Estate's Harmony, I Had Already Mentioned The Fountain While Sharing The

Information. I Have A Clear Insight That Without Alojzija's First Step, The Sacred Guidelines, The Existence Of Paradise On Earth Would Not Have Been Possible!

Alojzija Was Born On 7th July 1948 In Slovenia, With A Specific Mission. Alojzija's Task Is to prevent evil from flooding The World! Due To Her Courage And Trust In God Sathya, Is Slovenia, Planinca, Puttaparthi 2, Foreseen As An Oasis

Of Peace On Earth, And The Generation Of The Superman With Sacred Awareness. All Souls Connected To This Mission Have Met In This Life. Alojzija, A Being Of Light, Has Been Different Since Birth; few of us have Understood Her. In 1991, She Activated Sai Center Slovenia, The Sai Family Was Born, With The Opportunity For Intensive Learning Of The Truth, self-Discovery! If we can Tame our own ego, If we can Not, then it is a bit Up, a bit down with blackmail, because everyone

Knows Where and with Whom we have debts, which we can Only Repay Through Learning With Alojzija, if envy Towards Alojzija overcomes us, we are weaklings, we condemn Alojzija, But She Has Protected us Like Her Own Heart. I Realized That Alojzija Is A Being Of Light, Otherwise She Would No Longer Be In Physical Form among us, I Ask All Brothers And Sisters To Protect Her Like Our Own Heart, She Is The Only Truth, She Has Never wronged Anyone, we all have traveled too slowly, Let's Hurry And Forgive ourselves, We Are All One, God Sathya, I Ask You For A Blessing Of The Pure Message That I Am Sharing On Paper, Hoping That Many Of You Will Read The Truth, There Is Only One Truth, And It Is Eternal. In The Family, there should be No blood ties, education, wealth, poverty, mine, yours, gender, Age, Child, Animal, Plant, Unity Is One, And This Needs To Be Understood.

The Wise Ones, Born On Planinca: Bernarda, Otmar, Satja, Tina, Mother Simona, Father Klavdij. there was some friction, Father Klavdij went to his parents, We Continued On Our Path, it became harder on all fronts, Somehow we Were Winning, the

friction wasn't over yet, shortly after i left along with olga, we all blamed Alojzija for not leading us properly, i had Long Ago Realized That There Was Nothing Wrong With Alojzija, the problem was with all of us, who carried envy and malice towards Alojzija. our mutual intrigues were conducted so skillfully that those who did not understand the perfect evil within us believed Alojzija was the cause of all our problems. it terrifies me how skillfully i was in carrying out evil!!! When Alojzija Felt that the perpetrator of evil was No longer capable, She Donated to us A Slap or A Cold Shower, A Quick Sobering Moment Quickly Came, To Find The Place Of Truth within us, Only Then Could we resist evil In The Moment Of Sacred Help, a few minutes later, we were already condemning Alojzija for maltreat us, the vicious circle of evil was within each of us who resisted God Sathya, Alojzija, The Truth inside us!!! One Day, Alojzija Ascended With Love Above our clouds. She No Longer Came to us With Help Measures, we

were left alone with our own irritations, the easiest thing was to leave, that was all we were left with, Sadly, It Was Too Late, The Karmic Scenario repeated itself, It Begins With A.

Now That I Have Understood All Of This, i am ashamed to look Alojzija In The Eyes, Yet, In Alojzija, There Is Not A Trace Of hatred, Her Love For me and others Still Lives On, She Continues To Give.

Tim Was Born On The Same Day To Darja, Robert, When Alojzija Redeemed Two sick farms. Soon, They All Moved To Planinca, Along With Brother Lin, Sister Leja. At First, Things Went Well, then the marriage fell apart, darja left With Lin And Leja, Robert stayed a little longer before leaving as well, Tim Stayed At Planinca, Alojzija Became Everything To Him, It Was Not easy For Him, He Suffered, Missing The Family, which No longer existed, it Was hard, Alojzija Endured, And She Continued To Manage The Estate. Young Tim, Endured A Lot, With Alojzija Survived, Today He Is Already Defined By God's Will To Be A Holy Lord In Paradise On Earth. Alojzija Enrolled Tim In A Dance Class, Now He Is A Successful Independent Dance Teacher. The Wise Ones, Tim, Bernarda, Otmar, Satja, Tina, Simona, Alojzija, Have Withstood It, Now They Are Already In high school. all who have abandoned Holiness must return, If We Have Ripe Enough, That we Truly Repay our mutual debts. In

The Golden Age, We Walk With Golden Steps, We Are Creating A New Generation, To Clean the history Forever!!! almost all of us are already returning, It Is Not easy, But It Is The Only True Path!the world is already crumbling, wars, earthquakes, fires, genocide, all has crossed borders, everything is shaking, hunger is present, the struggle for daily life Is Real! At Planinca Peaceful Is, Alojzija Will Take Us Under Her Wing At Night And During The Day, Unconditional Love Is The Only Thing Alive In Alojzija, It Is, It Is, It Is.

Stewardship In Paradise: The Steward, According To God's Order, Is Every Inhabitant On Alojzija's Estate, Here we are Again: one can do a little, another more, It Is Right That The Shepherd, The Shepherdess Has An Overview Of All Events, Guidelines. most minds still have Different appetites, things would quickly appear strange! Alojzija Has Holy Stewardship At Her Fingertips, She Has No arrogance, Her Modesty Is still far beyond most of us! We Consult Together, Make Plans, Of Course, It Is Simple, Alojzija Already Provides The Guidelines, Tango is at it's highlights. Alojzija's Project Is A Project Of Righteous Stewardship, It Is The Only Holy Model.

From The Very Beginning, Alojzija Strived To Ensure That The Key Events Were Properly Recorded, We Published A Monthly Newspaper Called „Truth,“ Later The Holy Scripture Of God

Sathya Sai Baba And God Jesus, Messages From God Sathya Sai Baba, „The Light Of Day,“ And Other Materials About Our Lives, Following The Wisdom Of God Sathya. Alojzija's Creations Reveal Her Divinity In A Physical Human Form, Something One Truly Understands Only When our own pain Leads Us To Liberation, At That Moment, There Is No more malice, No more envy within us!

The Sai Family Had Already Adopted The Practice Of Chanting Om In The Morning, The Evening, When The Family Joins With The Night Or The Day, We Naturally Gather Together And Chant Om 21 Times, This Beautifully Connects Us, Of Course, Only If The Prayer And Singing Are Sincere. Often, We Also Chant Om During The Day, It Always Purifies And Makes Us Happy, As Long As Sincerity Is Present Within The Family.

Alojzija Is The All-Encompassing Light, So That evil in the world Can't prevail. This Is Her Mission On Earth, I Trust Her, Everything Will Be Settled According To God's Will, Since

Alojzija Serves humanity With All Her Heart, She Is Living The Truth That Is still, for most of us, foreign at this moment!

Alojzija Is Great Force, One Who Is Enlightened in Selfless Service. God the Mother Is The Defining Fulfillment Of The Self Within Itself, Consciously Realized I Am God, Regardless of who i am, where i am, The Soul of every being Is God. The Conversation, The Communication Of Alojzija With God Sathya Was Revealed To Me A Few Years Ago, i used to be distrustful of Alojzija's guidance!!!

One Night The Communication Between Them Was Revealed to me, In Sleep, An Unknown Space Suddenly Appeared to me, Where A Conversation Took Place In Silken Tones, Selected Rare Words, With Laughter, Optimism, Lighthearted Chat About How Alojzija Should Guide us, Connecting With Daily Responsibilities. It Was A Heavenly Insight Into The Invisible True World Of Alojzija, i Was Happy, but also even more envious of The Being Of Light, What Had Been Given To Her, Yet It Is Given To Everyone, if only the Truth Lived within us!!!

The Next Day, As Usual, We Met Briefly In The Morning Regarding The Guidelines, Alojzija Peacefully Delivered The Guidelines From God Sathya, For Her, Everything Was Normal, but the ego in me began to bloom, he had 1000 young ones, we need suffering and more suffering in order to Sober Up, Not a single disease ever existed, does Not exist, these are merely our own little satans, specific to each one of us!!!

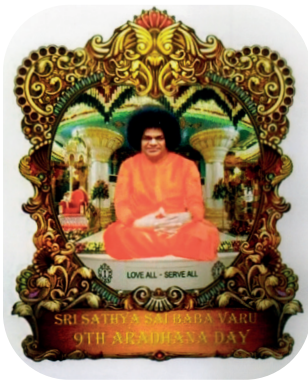

Education With Alojzija Is Grace, or hell, each one decides for themselves who they are. i Know Now Already, Alojzija, Please Stay my Teacher, Savior Of Truth, i would have been dead long ago if i had Not Met You, Now i Know, i must Not Thank You, My Proof to myself and to others who are still unbelievers, To Live The Truth In Everyday Life, To Repay Through Selfless Service The Karmic debts To Surroundings, To Others, To Become Free, Only Now, or Never, never Again!

At This Moment i Remembered, When Alojzija Was Still Living In Ljubljana, There Were Always many people Around Her, God Sathya Was Speaking With Her Over the Telephone Through Sound, She Confided These Unusual Events, The Beeps, To Only A Few, Only She Could Understand Them. Whenever She Had To Decide On A Guideline, God Sathya Helped Her With Confirmation Through Beeps, She Alone Could Understand It.

A Moment, Event Which Deeply Embedded to me, Suddenly, The

Conversation Was Taken Up By A Light Bulb On The Ceiling, Speaking With Us, The Light Effects Were The Same As On The Telephone, Of Varying Intensities, Suddenly, Alojzija Humbly Said: „I Think Someone Is Dying, Let Us Help With Om.“ A Few Moments Later, The Telephone Rang: »A Few Minutes Ago, The Father Of One Of The Sisters Had Passed Away.« God Uses Many Ways to Help us, but we prefer to be mockery and ridicule Instead Of Being Dignified, This Is The Only Salvation, Students Of Truth.

I Will Also Touch Upon the cigarette packs with the Inscription BOSS, years ago, it was Rare, Yet For us This Phenomenon Was Strangely Legible To Everyone. BOSS Means: leader, director, master, in short, a chief! White Packs Would Suddenly Be Found On The Ground, On Stairs, On Railings, Windows, And Elsewhere Wherever We Happened To Be. We Quickly Realized That God Sathya Was Warning us Whom We Had among us, But Alojzija's Humility meant Nothing To Her. The BOSS Pack Became A Messenger In Physical Form: Read, Learn, What Has Been Given To us! i Understood: Only Alojzija Lives, Is Aware Of The Life Of Truth In Everyday Life, Following The Guidelines Of Righteous Stewardship, In Such A Way Of Functioning dark forces Have No power!!! I am Deeply Aware That The Current Of The Life Of Truth On Earth Will Triumph In The Paradise

On Planinca 1, Puttaparthi 2, A New Generation Will Be Born With Holy Awareness, A Divine Life.

The Events, Which i Hope i Have Presented In A Sacred Way, i Was A Living Witness To The Processes, Within Me i Carry The Deep Holy Wealth Of Eternal Records, Of The Sacred Teaching Of Who Unconditional Love Is. The Little Book Is Given As A Gift, To Whomever May Need It, It Awaits Them in Paradise.

Now i Already Feel How Happiness Works, Holy Happiness Cannot be played, No one can manipulate with Alojzija, The Aura of each person Is Truth, To Alojzija The Readability Of The Aura of everyone Is Given, She Seemed To Work with us, Understood us, Saved us In 1000 Ways, but our mind was malicious, In Alojzija, The Essence Of Unconditional Love Lives, The Time Is Coming When We Too Will Grasp Holiness, All Of Us, Alojzija, I Am Grateful To You.

The Invisible World, The Eternal Truth, Alojzija Is. Alojzija Was

Allowed to Disconnect From the material World. About Two And A Half Years Ago, She Finally Began Living In The World Of Truth, Peace, Time Had Ripened For Her Even On Earth For Serenity. Being With Alojzija Is Always Very Beautiful, if our behavior lacks Manners, Dignity, She Leaves. our current of life No Longer touches Her, If someone Needs Her Help, If Sincerity Is Present, The Solution In That Moment Is Already Being Woven...

Dear Recipients Of These Messages, i Kindly Ask For Your Understanding Regarding The Writing In This Form. Also Through The Script, Grammar, Use Of Capital Letters, i Wanted To Introduce A Different Approach To Reading The Messages, The Content May Be Presented In An Unusual Way.

It Was Difficult To Decide Which Event To Share, These Are Only A Few Events. If Your Heart Is Moved, You Can Still Meet Her In Person And Feel It. I Have Chosen To Preserve The Booklet From Editing.
